

AMPLIFIER

POWERED BY THE JEWISH FEDERATIONS OF NORTH AMERICA

Happy Holidays from Amplifier!

Amplifier@Jewishfederations.org

Giving is powerful. Talking about giving ignites that power in others.

As you celebrate with loved ones during the holiday season, share your own giving practices, learn from the giving practices of those around you, and explore how your values can create change in the world.

Ask those around your holiday table:

What are you grateful for?

Where did you learn about giving?

How can you pay it forward?
